

Premium Cruising Fabric

Atlantic Sailcloth styles are tightly woven constructions using High Tenacity yarns. Challenge sought to develop a new cruising style utilizing a medium firm stabilized finish for durable cruising sails. The high production volumes on these styles ensure consistency and low cost for a high value product line.

Fabric ID	Description	Yarn Denier		Fabric Width	
		Warp	Fill	in	cm
D4.38	4.38 Atlantic	150	250	54	137
D5.38	5.38 Atlantic	250	300	54	137
D6.38	6.38 Atlantic	250	400	54	137
